Postal/Zip Code:

Congrats! You're one step closer to having a beautiful container bar! You have decided on which size of unit fits your location and needs best. Now this is the fun part. Work through these checklists to customize your bar, choose which upgrades will enhance your experience, and learn more about what is included in your unit. We will use these selections to finalize your order, which can be shipped within 6 weeks from the date of your deposit.

Come back to this page to complete the checklist below, these are the options with additional costs beyond the base price. Your sales person will have the most updated price list.

Looking for something more? Get in touch to discuss custom design options to truly make the Honomobar work for you. Custom design agreements starting at \$1,500, with endless possibilities.

How will your Honomobar be used? There are infinite combinations of kegorators, taps, fridges, and more. We once installed a pizza oven! Let us know how we can help.

- Thanks I've got it covered.
- I have my own appliance. Can you help?
- I would like Honomobar to source and supply (design agreement required)

## AUDIO PACKAGE

As registered SONOS™ dealers, Honomobo is authorized to provide you with these easy-to-use wireless home sound systems. With Alexa built right in, the Sonos Move and Beam let you use your voice to play and control songs, playlists, radio stations and more. Stream from more than 50 music services, and easily manage all your favourites in the Sonos app. You can even use an Alexa device you already own with any Sonos speaker.

**PACKAGE A: GIVE ME SURROUND SOUND!**  
(SONOS BEAM + SONOS MOVE)

**PACKAGE B: JUST THE SPEAKER PLEASE.**  
(SONOS MOVE)

**ADD MORE ONES FOR ADDITIONAL ZONES!**  
HOW MANY? \_\_\_\_\_

### SONOS BEAM

PLAYS MUSIC, TV, MOVIES, AND MORE.  
Exceptional dialogue clarity for TV sound.  
Automatically pairs with your TV and remote.  
Apple AirPlay to Beam from iOS devices.  
Pair with two Sonos Ones for cinematic surround sound.

### SONOS MOVE

SOUND ANYWHERE. Experience surprisingly deep bass, a wide soundscape, and automatic Tuneplay turning that perfectly balances the sound for where you are and what you're listening to. Stream over WiFi and connect Move to the rest of your Sonos system at home. Switch to Bluetooth when you're away or offline.

**ADD A SUBWOOFER FOR MORE INTENSE BASS!**  
(WIRELESSLY CONNECTS TO ANY SONOS SPEAKER OR AMP)
